

I am a hearing student, who has just completed a Diploma in Auslan, with the hope of becoming an interpreter in the future.

I am a positive, easygoing person, who is patient, kind, with a great sense of humour.

I enjoy communicating in Auslan and I'm a native English speaker.

I like meeting new people and having a good laugh. I am thrilled when I see people work hard to achieve their goals and will support you to achieve yours!

My motto in life: Everyone deserves happiness, equality and success!

My 5 most favourite things in the world are, Art, Music, Auslan, Comedy and Salami.
