

AGEING WELL

NSW PROGRAM

In-home care and support in Auslan
for deaf and hard of hearing seniors
– supporting healthy and active ageing

We are an approved provider of Home Care Packages and Commonwealth

Home Support (CHSP) Social Support. We work with you, respecting your language, culture and identity.

Ageing Well supports deaf and hard of hearing seniors through:

- Information about aged care services
- Help to contact and talk with My Aged Care
- One to one support to help you stay independent in your own home
- Information and videos in Auslan about aged care and healthy, active ageing
